Foreclosure (with extenuating circumstances)	A three-year waiting period is permitted if extenuating circumstances can be documented, and is measured from the completion date of the foreclosure action. Non-Traditional (Alt) Credit	Not permitted.
Debts/Minimum Payment	If the credit report does not show a required minimum payment amount and there is no supplemental documentation to support a payment of less than 5%, the lender must use 5% of the outstanding balance as the borrower's recurring monthly debt obligation. For DU loan casefiles, if a revolving debt is provided on the loan application without a monthly payment amount, DU will use the greater of \$10 or 5% of the outstanding balance as the monthly payment when calculating the total debt-to-income ratio.
Minimum Payment Student Loans	For all student loans, if a monthly student loan payment amount is provided on the credit report, use that amount for qualifying purposes. If the credit report does not reflect the correct monthly payment, use the monthly payment that is on the student loan documentation (the most recent student loan statement) to qualify the borrower. If the credit report does not provide a monthly payment for the student loan, or if the credit report shows \$0 as the monthly payment, Determine the qualifying monthly payment using one of the options below. <ul style="list-style-type: none"> • If the borrower is on an income-driven payment plan, obtain student loan documentation to verify the actual monthly payment is \$0 and then qualify the borrower with a \$0 payment. • For deferred loans or loans in forbearance, calculate a payment equal to 1% of the outstanding student loan balance (even if this amount is lower than the actual fully amortizing payment), or a fully amortizing payment using the documented loan repayment terms.
30-day Charge Accounts	Open 30–day charge accounts require the balance to be paid in full every month. Fannie Mae does not require open 30–day charge accounts to be included in the debt-to-income ratio.
Mortgage History	Mortgage payment histories must be verified for any mortgages not reporting on the credit report. Any verified mortgage history that shows a 30 day late or greater in the last 24 months must be reported on the borrower's credit report and included in the AUS decision. Long Term Debts	Revolving charge accounts and unsecured lines of credit are open-ended and should be treated as long-term debts and must be considered part of the borrower's recurring monthly debt obligations. The monthly payment on every revolving and open-end account with a balance must be included in ratio calculation. Accounts cannot be paid down to qualify, installments or Mortgage accounts must be paid in full. Payoff of revolving accounts in order to qualify the borrower is generally not allowed.
Court Ordered Debt	If the obligation to make payments on a debt has been assigned to another person by court order, such as a divorce decree, and transfer of ownership of any related property has taken place, the payment may be excluded from long-term debt. The following documents are required: copy of the court order; and for mortgage debt, a copy of the recorded documents transferring ownership of the property (e.g.: Quit Claim Deed). If a transfer of ownership has not taken place, late payments associated with the loan repayment of the debt owing on the property should be taken into account when reviewing the Borrower's credit profile.
Non-Occupant Co-borrowers	The non-occupant borrower income flexibility allows a parent, or anyone else willing and financially able, to be a borrower on the loan. Non-occupant borrowers are permitted (to max 95% LTV in DU); Income considered as part of qualifying income and subject to income limits.

Tax Return Transcripts/W2 transcripts	When federal income tax information is used to document income for qualifying purposes, the lender may obtain transcripts of the applicable federal income tax documents directly from the IRS (or designee) by using IRS Form 4506-T. For example, the lender may obtain Tax Return Transcripts for Form 1040, 1040A or 1040EZ or Wage and Income Transcripts for W2s, 1098s, and 1099s. However, in certain instances, copies of the actual returns, schedules, or forms are needed because the tax return transcripts will not provide the detail required to qualify the borrower. For example, the lender must obtain copies of Schedules B through F, Schedule K-1, Form 2106, or business returns.
Income from Departure Residence	When the borrower owns mortgaged real estate, the status of the property determines how the existing property's PITIA must be considered in qualifying for the new mortgage transaction. If the mortgaged property owned by the borrower is a current principal residence converting to investment use, the borrower must be qualified in accordance with, but not limited to the following: <ul style="list-style-type: none"> • Lease Agreements. When current lease agreements are used, the lender must calculate the rental income by multiplying the gross rent(s) by 75%. The remaining 25% of the gross rent will be absorbed by vacancy losses and ongoing maintenance expenses. • DU will determine the reserve requirements based on the overall risk assessment of the loan, the minimum reserve requirement that may be required for the transaction, and whether the borrower has multiple financed properties. • If the mortgage loan being delivered to Fannie Mae is secured by the borrower's principal residence, there are no limitations on the number of other properties that the borrower will have financed.
Other Income	1-unit Primary Residence only (not permitted for 2-4 Unit) - Boarder income (relatives or non-relatives): Up to 30% of qualifying income; documentation for at least 9 of the most recent 12 months (averaged over 12 months) and documentation of shared residency for the past 12 months. 1-Unit: Accessory dwelling units: Rental income may be considered in qualifying the borrower per rental income guidelines. 2-4 Unit: Rental income may be used as qualifying income per rental income guidelines.

Borrower Contribution toward Down Payment	Primary <80% LTV= None Primary >80% LTV = None Primary 2-4 Unit = \$0 for LTV/CLTV/HCLTV of 80% or less, 3% for LTV/CLTV/HCLTV > 80%

Escrows / Escrow Holdbacks	Escrows: Tax and Insurance escrows are required on all loans greater than 80.00% loan to value (subject to state law); escrow waivers are allowed subject to a demonstrated ability by the borrower to manage lump sum tax and insurance payments. Special Borrower Considerations for Online Homeownership Education	Framework's online education may not be appropriate for all potential home buyers. The presence of a disability, lack of Internet access, and other issues may indicate that a consumer is better served through other education modes (e.g., in-person classroom education, telephone conference call, etc.). In these situations, consumers should be directed to Framework's toll-free customer service line, from which they can be directed to a HUD-approved counseling agency that can meet their needs.
